CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders

Dear Sir or Madam,

PROPOSALS FOR

**(1) GRANT OF GENERAL MANDATES TO ISSUE NEW SHARES
AND REPURCHASE SHARES;
(2) RE-ELECTION OF DIRECTORS; AND
(3) NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information relating to the resolutions to be proposed at the AGM, among other things, (i) the granting of the General Mandate (including the extended General Mandate) and the Repurchase Mandate; (ii) the re-election of retiring Directors; and (iii) the re-appointment of auditors and to give you the AGM Notice.

LETTER FROM THE BOARD

GENERAL MANDATE AND REPURCHASE MANDATE

At the AGM, the Directors propose to seek the approval of the Shareholders to grant to the Directors the General Mandate and the Repurchase Mandate.

General Mandate

The Company's existing mandate to issue Shares was approved by ordinary resolutions at the annual general meeting held on 28 March 2025. This mandate is due to expire at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed such that the Directors be given an unconditional general mandate (i.e. the General Mandate) to allot, issue and deal with unissued Shares or underlying shares of the Company (including any sale or transfer of treasury Shares out of treasury, other than by way of rights or pursuant to a share option scheme for employees of the Company or Directors and/or any of its subsidiaries or pursuant to any scrip dividend scheme or similar arrangements providing for the allotment and issue of Shares in lieu of whole or part of the dividend on Shares in accordance with the Articles of Association) or make or grant offers, agreements, options and warrants which might require the exercise of such power, of an aggregate amount of up to 20% of the number of issued Shares (excluding any treasury Shares) as at the date of granting of the General Mandate.

In addition, a separate ordinary resolution will further be proposed for extending the General Mandate authorising the Directors to allot, issue and deal with Shares (excluding any treasury Shares) to the extent of the Shares repurchased pursuant to the Repurchase Mandate. Details on the Repurchase Mandate are further elaborated below.

As at the Latest Practicable Date, the Company has an aggregate of 188,597,858 Shares in issue. Subject to the passing of the resolutions for the approval of the General Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the General Mandate to allot, issue and deal with a maximum of 37,719,571 Shares.

Repurchase Mandate

The Company's existing mandate to repurchase Shares was approved by ordinary resolutions at the annual general meeting held on 28 March 2025. Unless otherwise renewed, the existing mandate to repurchase Shares will lapse at the conclusion of the AGM.

LETTER FROM THE BOARD

At the AGM, an ordinary resolution will also be proposed such that the Directors be given an unconditional general mandate to repurchase Shares (i.e. the Repurchase Mandate) on the Stock Exchange of an aggregate amount of up to 10% of the number of issued Shares (excluding any treasury Shares) as at the date of granting of the Repurchase Mandate.

Subject to the passing of the resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 18,859,785 Shares.

The General Mandate (including the extended General Mandate) and the Repurchase Mandate shall continue to be in force during the period from the date of passing of the resolutions for the approval of the General Mandate (including the extended General Mandate) and the Repurchase Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association, the Companies Act, or any applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation of the General Mandate (including the extended General Mandate) or the Repurchase Mandate (as the case may be) by ordinary resolution of the Shareholders in general meeting, whichever occurs first (the **“Relevant Period”**).

The Board notes that with effect from 11 June 2024, the GEM Listing Rules have been amended to introduce flexibility for listed companies to cancel Shares repurchased and/or to adopt a framework to (i) allow repurchased Shares to be held in treasury and (ii) govern the resale of treasury Shares.

Following such changes to the GEM Listing Rules, if the Company repurchases Shares pursuant to the Repurchase Mandate, the Company may (i) cancel the repurchased Shares and/or (ii) hold such Shares in treasury, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made. If the Company holds Shares in treasury, any resale of Shares held in treasury will be made in accordance with the GEM Listing Rules and applicable laws and regulations of the Cayman Islands.

An explanatory statement in connection with the Repurchase Mandate is set out in Appendix I to this circular. The explanatory statement contains all the requisite information required under the GEM Listing Rules to be given to the Shareholders to enable them to make an informed decision on whether to vote for or against the resolution approving the Repurchase Mandate.

LETTER FROM THE BOARD

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

This Appendix I serves as an explanatory statement given to all Shareholders relating to a resolution to be proposed at the AGM authorising the proposed Repurchase Mandate.

This explanatory statement contains all information pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:

1. NUMBER OF SHARES WHICH MAY BE REPURCHASED

As at the Latest Practicable Date, the issued share capital of the Company comprised 188,597,858 Shares of nominal or par value of HK\$0.1 each and the Company did not hold any treasury shares.

Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are allotted, issued, otherwise dealt with or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to repurchase a maximum of 18,859,785 Shares which represent 10% of the issued share capital of the Company (excluding treasury shares) as at the Latest Practicable Date during the period ending on the earlier of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles to be held; or (iii) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR PROPOSED REPURCHASE OF SHARES

The Directors believe that it is in the interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on GEM. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share.

The Repurchase Mandate will only be exercised when the Directors believe that such purchases will benefit the Company and the Shareholders as a whole. The Directors have no present intention to repurchase any Shares. The Company may cancel such repurchased Shares or hold them as treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

For any treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or (iii) take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury Shares.

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

3. SOURCE OF FUNDS

In repurchasing Shares, the Company will only apply funds legally available for such purpose in accordance with its Articles of Association, the laws of the Cayman Islands and the GEM Listing Rules. The laws of the Cayman Islands provide that the amount of capital paid in connection with a repurchase of Shares may only be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the laws of the Cayman Islands.

The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the laws of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

4. EFFECT OF EXERCISING THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 30 September 2025) in the event that the Repurchase Mandate is exercised in full at any time during the Relevant Period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

5. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules), has any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders at the AGM.

6. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands.

APPENDIX I EXPLANATORY STATEMENT FOR THE REPURCHASE MANDATE

7. EFFECT OF THE TAKEOVERS CODE

If, as a result of a repurchase of Shares, pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code.

As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase in the Shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or 32 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Wu Guoming, executive Director, was interested in 1,623,570 shares of the Company representing approximately 0.86% of the issued share capital of the Company. As at the Latest Practicable Date, to the best of knowledge of the Company, no Shareholder is interested in 5% or more of the issued share capital of the Company and the Directors are not aware of any consequences which may result in any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the Directors have no present intention to exercise the Repurchase Mandate to such extent as would give rise to an obligation of any Shareholder(s) or any other persons to make a mandatory offer under the Takeovers Code or if the repurchase would result in less than the prescribed minimum percentage of 25% of the issued share capital of the Company being held in public hands.

The Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any repurchases to the Repurchase Mandate in full.

8. NO PURCHASES OF SHARES BY THE COMPANY

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the previous six months preceding the Latest Practicable Date.

9. CORE CONNECTED PERSON

No core connected persons (as defined in the GEM Listing Rules) has notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders at the AGM.
