REASONS FOR AND BENEFITS OF THE PLACING AND USE OF PROCEEDS

The Group is principally engaged in (i) natural gas supply; and (ii) sales and leasing business.

As disclosed in the Company's announcement dated 27 February 2026, in response to the disclaimer of opinion issued by the Company's auditor in respect of the Company's consolidated financial statements for the year ended 30 September 2025, the Company has taken and continues to take various measures to address the underlying issues and prevent a recurrence in the financial year ending 30 September 2026. These measures include continuing to explore suitable fundraising opportunities, taking into account prevailing market conditions and the Group's funding needs. The Placing forms part of these measures and represents a step taken by the Company to strengthen its capital base, enhance its financial flexibility, and support the Group's ongoing operations.

The Directors consider that the Placing provides the Company with an opportunity to raise additional funds, broaden its shareholder base, and strengthen its overall financial position. The Company intends to use the net proceeds from the Placing for the following purposes:

- (i) approximately HK\$4.30 million (approximately 54.58% of the net proceeds) for the redemption of bonds issued by the Company;
- (ii) approximately HK\$1.00 million (approximately 12.69% of the net proceeds) for the payment of the Group's professional fees; and
- (iii) approximately HK\$2.58 million (approximately 32.73% of the net proceeds) as general working capital of the Group to support and facilitate the Group's daily operations and cover the Group's essential expenditures including staff salaries and employees benefits, rental expenses, office overheads and other general and administrative expenses.

It is expected that the net proceeds will be fully utilised within twelve months after Completion.

If the Placing is not completed in full, the net proceeds will be applied to the above uses on a pro rata basis in the same proportions as set out above.

Subject to completion of the Placing, it is expected that the maximum the gross proceeds and net proceeds (after deduction of placing commission and other expenses of the Placing) from the Placing will be approximately HK\$8.30 million and HK\$7.88 million, respectively.

The Directors consider that the Placing Agreement is entered into upon normal commercial terms following arm's length negotiations between the Company and the Placing Agent with reference to the prevailing market conditions and the recent trading performance of the Shares and the terms of the Placing Agreement (including the Placing Price and the placing commission) are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.
